

Appl. No. 10/791,037
Action dated Jan. 23, 2006
Reply to Office action dated Dec. 29, 2005

Remarks

Applicant amends the specification to correct typographical errors, and amends claims 1-5 and 9-11 to describe the invention more clearly, and cancels claims 13-19 from this examination in response to the Office Action of December 29, 2005.
